Opening a franchise is a big commitment and investment, so it's important to know what you're getting into. At Fully Promoted, our franchise owners' successes are our successes, so we want to ensure that we make the franchise-buying process as straightforward as possible. That's why we've created this step-by-step guide to opening one of our industry-leading embroidery franchises! All you need to do to open an Fully Promoted franchise is follow these 10 steps.

Step 1

REQUEST MORE INFORMATION

Making an inquiry is the first step in getting started on opening your new business, and it's easy! Simply visit FullyPromotedFranchise.com and fill in the "Request More Information" fields on the home page. You will receive a brochure in your e-mail within a short time.

Step 2

MAKE THE INITIAL CALL

Once you've determined that Fully Promoted is the business in which you want to invest, and after you've done some research about what it takes to open one of our franchises, call us to start the process. During your call, you'll be able to have lingering questions answered and schedule a time to meet the team. Make the call at (877) 959-8087.

Step 3

MEET THE TEAM

Depending on your location, you'll be able to meet the team either in person or through a webinar. This initial meet-and-greet will allow you and the executives in charge of determining if you will be a good fit for our company to get to know each other.

Step 4

COMPLETE THE FRANCHISE APPLICATION

The franchise application, which can be found and filled out at FullyPromoted.com/franchiseapplication, is a straightforward query about what you can bring to the Fully Promoted franchise family. There are five main categories that the application will require you to answer:

- Personal Information
- Work and Business History
- Assets
- Liabilities
- Total Net Worth

Step 5

REVIEW THE FRANCHISE DISCLOSURE DOCUMENT (FDD)

Once your application has been approved, you will receive the Franchise Disclosure Document, or FDD. The FDD is a legal document that precedes your franchise agreement and will be presented to you at least two weeks before you receive your franchise agreement.

The purpose of the FDD is to disclose several important things for a potential franchisee to consider before they enter into a contract, including:

- Fees and expenses associated with owning an Fully Promoted franchise
- The responsibilities of the franchise owner
- The responsibilities of Fully Promoted
- Financial statements
- Average incomes and profits
- Existing franchise units

Step 6

SPEAK TO EXISTING FRANCHISE OWNERS

It's important to speak to existing franchise owners, as they can give you insider information about what it's like to own an Fully Promoted franchise. Other owners can give insight into their profits, workload, expectations and realities of owning their businesses and being their own boss.

Step 7

ATTEND A DISCOVERY DAY

Discovery Day is one of the most exciting steps in opening an Fully Promoted franchise! At Discovery Day, you will visit one of our training locations to learn even more about our brand and the unparalleled level of corporate support you will receive when you partner with Fully Promoted.

Discovery Day is also our chance to get to know you better and to make sure that you are a good fit in our company. Discovery Day is our chance to impress you and your chance to impress us.

Step 8

SUBMIT A REFUNDABLE DEPOSIT

Step 9

SIGN THE FRANCHISE AGREEMENT AND PAY THE \$49,500 FRANCHISE FEE
